COMPANY SANITIZED

Dear Sir:

[REDACTED] submits the following information to the U. S. Environmental Protection Agency in compliance with the Toxic Substances Control Act (TSCA) Section 8(e) regulations.

[REDACTED] was tested for its sensitization potential in a Local Lymph Node Assay. SI values of 1.0, 1.6 and 6.0 were obtained for test substance concentrations of 5, 25 and 100%, respectively. An EC3 value of 48.9% was calculated.

The appropriate personnel at [REDACTED] have been notified of this finding and the product MSDS is being updated accordingly.

Complete and "sanitized" copies of the test results and a "sanitized" copy of this letter are attached. If you need additional information, please contact me at [REDACTED].

Sincerely,

[
